1.10 INELIGIBLE FIRMS

The Submitter is responsible to disclose all potential organizational conflicts of interest in its SOQ. A potential organizational conflict of interest occurs when consultants and/or subcontractors assisted the Department in the preparations of this RFQ or the anticipated RFP document. Said firms will not be allowed to participate as a Submitter or a member of a Submitter Team for response to this RFQ or as a Proposer or a member of a Proposer Team in response to the anticipated RFP should the Submitter be short listed. However, the Department may determine that there is not an organizational conflict of interest for a consultant or subcontractor under the following circumstances:

- a) Where the role of the consultant or subcontractor was limited to provision of preliminary design, reports, or similar "low level" documents that will be incorporated into the RFP and did not include assistance in the development of the criteria at either the RFQ or RFP phase;
- b) Where all documents and reports that were delivered to the Department by the consultant or subcontractor are made available to all the Proposers through the RFQ or the RFP.

Proposers for the RFP will be required to provide information concerning potential organizational conflicts of interest in its Proposal. The successful Proposer and its Principal Participants must disclose all relevant facts concerning any past, present, or currently planned interests that may present an organizational conflict of interest. The successful Proposer and its Principal Participants must state how their interests or those of their chief executives, directors, Key Staff, or any proposed subcontractor may result in, or could be viewed as, an organizational conflict of interest (see also [Section 1.9](#)).

The following firms cannot participate as a member of a Submitter or Proposer team, as they are assisting the Department with the RFQ, RFP, and related services:

- Rummel, Klepper & Kahl, LLP (RK&K), Remline Corporation
- [AECOM](#)

Any firm that is rendered ineligible through any state or federal action, including but not limited to suspension or debarment, is ineligible to participate with any Submitter or Proposer.

1.11 PROJECT SCHEDULE

All dates listed in this RFQ may be modified at the Department's discretion. Any date changes during this RFQ selection process will be posted on the Project's solicitation webpage, or incorporated in an Addendum. [Section 2.3](#) contains the procurement date and time schedule.
