---

**CONTRACT DESCRIPTION**

The purpose of this contract is to provide street sweeping services on state maintained subdivision roads in Areas 11 & 12 of the North District. This is a calendar day contract that shall be in effect from April 1, 2015 to October 15, 2015.

This contract may be extended for two (2) one (1) year periods.

The anticipated Notice To Proceed for this contract is scheduled for April 8, 2015.

**PROJECT NOTES**

1. **Contract Term:** This contract shall be for one sweeping season. The sweeping season shall be from April 1 to October 15 of the 2015 calendar year. The Performance Bond shall be submitted with the contract execution and shall be required for any contract extension. Failure on the part of the Contractor to submit the Performance Bond prior to the first working day of each calendar year shall result in the contract being cancelled. It shall be the Contractor's responsibility to obtain the forms necessary to renew the Performance Bond each year the contract is in force. Unit prices will remain the same unless economic conditions, such as a change in fuel prices, justify a change.
2. Depending on fund availability, the Department reserves the right to increase or decrease quantities of the items specified in this contract. Such additions or deletions shall not be a cause for an increase or decrease in any contract unit bid prices.
3. **Maintenance of Traffic:** The Contractor and all others shall perform all work in a manner that shall ensure the least practicable obstruction to the traveling public and shall conform to the requirements of the latest revision of the Delaware Manual entitled "Delaware Manual On Uniform Traffic Control Devices (DEMUTCD) in effect at the time of advertisement for bids.

The Department reserves the right to stop the Contractor's operations if the operations are not in compliance with the DEMUTCD, the specifications, or the Contract Documents. The Department also reserves the right to stop the Contractor's operations if the Engineer deems the operation unsafe.

All equipment shall be removed from the job sites on a daily basis, except when allowed by the DelDOT approved Traffic Safety Plan, or as approved by the Engineer.

4. **Sweeping:** There shall be a total of one (1) cycle of sweeping for each calendar year of this contract. The cycle shall be completed by October 15, 2015. The date is subject to change at the discretion of the Engineer if conditions warrant adjustment.

---

“Miles” shall mean the number of miles, to the nearest 1/10 of a mile, as measured along the approximate edge line of the street.

“Debris” shall mean all litter, rubbish, leaves, sand, dirt, garbage and other foreign material removable from a paved street with a mechanical street sweeper.

The Contractor shall remove all debris from all portions of a streets and radius. Items of excessive size, such as cardboard, large gravel etc. shall be physically picked up and placed in the hopper by the operator or other personnel, and is incidental to the unit price of miles.

At all times the Contractor shall use good sweeping practices which includes but are not limited to:

- a. Adjust spray nozzles to keep dust, caused by sweeping, to a minimum.
  - b. Center dirt reflector and main drag shoes shall be properly maintained and adjusted, or any other device designed to direct debris or dirt into the path of the rear broom.
  - c. Sweeping speed shall be adjusted to street conditions with a maximum speed of eight (8) miles per hour. Patterned concrete medians, crosswalks, and radius shall be swept at a maximum speed of three (3) miles per hour.
  - d. Operate sweepers as close to parked cars or other obstacles as practical.
5. Locations: All sweeping shall be conducted as listed under the subsection entitled “Locations” of these provisions. Area 11 has a total of 586 Miles per cycle. Area 12 has a total of 526 Miles per cycle. All sweeping will be paid under Item 763649.
6. Work Schedule: The Contractor shall begin work for this contract within ten calendar days after receiving a “Notice To Proceed” from DelDOT.

The Contractor shall not conduct sweeping operations on Saturdays, Sundays or official Holidays unless approved in writing by the Engineer. No sweeping will be conducted by the Contractor after sunset or before sunrise, without the express and written permission of the Engineer.

The Contractor shall supply weekly to the Engineer a proposed 2 week work schedule listing the locations and approximate start date for each location as well as an up to date running tally of completed locations, until all miles have been completed. This will be in a checklist format and submitted electronically to the Engineer. The district shall supply the form to the Contractor.

The Contractor shall have a Field Supervisor available via telephone during all sweeping hours.

**Street Sweeping, North District, FY15-FY16**

---

The DeIDOT inspector or authorized representative reserves the right to be the sole judge if the weather is too inclement to sweep.

7. **Contractor Responsibility:** The Contractor shall be responsible for complying with Section 108.01 of current DeIDOT Standard Specifications regarding Subletting of Contract.
8. **Insurance:** The Contractor, at his own expense, shall carry the following coverage as a minimum:
  - Automobile Liability Coverage- The minimum limits of liability shall be \$250,000 per person and \$500,000 per occurrence bodily injury and \$100,000 per occurrence property damage. In the event that a combined Single Limit Policy is in force, a limit of liability of \$500,000 will be deemed to meet this requirement.
  - General Liability Coverage- The minimum limits of liability shall be \$300,000 bodily injury and \$100,000 property damage. A combined single limit of \$400,000 meets the requirement.
  - Worker's Compensation- Statutory laws require a minimum limit for Employer's liability of \$100,000.
- The Contractor shall furnish proof of such coverage to the Department at the Pre-Construction Meeting. The Contractor shall save harmless the State of Delaware, the Department, its employees and/or agents as a result of operations performed under this agreement.
9. **Limits of Right of Way:** All sweeping is within the state's right of way. Any questions regarding the limits of the right of way shall be referred to the Engineer.
10. **Construction Areas:** Areas which come under construction during the life of this contract shall be removed from this contract and payment reduced by the contract bid price per sweep mile for the duration of the construction. Areas removed shall be determined by the Engineer.
11. **"Ozone Action Day" Notification and Procedure:** When notified by the Department that the following day has been designated as an "Ozone Action Day," no sweeping or related work utilizing fossil fuel powered engines shall be undertaken. The Contractor shall be notified by the Engineer electronically or via telephone prior to 3:00 P.M. of the day prior to the designated "Ozone Action Day." Sweeping cycle completion date shall be adjusted by an equal number of days that sweeping is not completed due to "Ozone Action Day" restrictions.
