DELAWARE DEPARTMENT OF TRANSPORTATION
CONTRACT No : DOT1706-FENCE_ND
Right Of Way Fence Replacement, North District, Open End, FY18-FY19

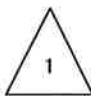

25. Proper disposal of construction related wastes shall be the sole responsibility of the Contractor, and shall be performed in accordance with all applicable State regulations.
26. The new fence type and positioning of new fence shall be identical to the existing fence to be replaced, except when directed otherwise by the Engineer. The Engineer shall determine for the Contractor if any fence components shall be reused on each work site. Any components not to be reused, as determined by the Engineer, become the property of the Contractor. Removal and legal disposal of the unused components are the Contractor's responsibility and all costs associated with this work are incidental to the applicable repair item.
27. The Contractor shall guarantee all work to be free from defects for a period of one year from time of owner acceptance. Any defects occurring during this period shall be corrected by the Contractor at no additional cost to the Department.

 28. Refer to Standard Specification Section 1061 for the material of decorative fence. Decorative fence shall be Jerith Style #200.

 29. All right of way fence gates and chain link fence gates are swing gates.

 30. New construction of wood vertical slat fence (Item 727004) with a height less than or equal to 6 feet shall be paid at the unit price bid. Wood vertical slat fence with a height greater than 6 feet up to 10 feet shall be paid at 1.5 times (1.5 x) the unit price bid. New construction of wood vertical slat fence greater than 10 feet shall be negotiated or performed by Force Account procedures.

 31. New construction of decorative fence (Item 727005) with a height less than or equal to 6 feet shall be paid at the unit price bid. Decorative fence with a height greater than 6 feet up to 10 feet shall be paid at 1.5 times (1.5 x) the unit price bid. New construction of decorative fence greater than 10 feet shall be negotiated or performed by Force Account procedures.

 32. New construction of chain link fence (Item 727010) with a height less than or equal to 6 feet shall be paid at the unit price bid. Chain link fence with a height greater than 6 feet up to 10 feet shall be paid at 1.5 times (1.5 x) the unit price bid. New construction of chain link fence greater than 10 feet shall be negotiated or performed by Force Account procedures.

 33. New construction of a chain link fence / right of way fence gate (Item 727011 / 727010) with a height less than or equal to 6 feet shall and a width less than or equal to 6 feet shall be paid at the unit price bid. New construction of a chain link fence / right of way fence gate with a height greater than 6 feet up to 10 feet or a width greater than 6 feet shall be paid at 1.5 times (1.5 x) the unit price bid. New construction of chain link fence / right of way fence gate greater than 10 feet shall be negotiated or performed by Force Account procedures
