MANDATORY PRE-BID MEETING:

The Pre-Bid Meeting will be held via videoconferencing on **Thursday July 23, 2020 at 10:00 A.M.**

- Contractors and subcontractors are welcome to join in and participate in the meeting. Firms that may submit bids to DelDOT for this project will be required to have someone participate in the meeting and provide their name and the name of the firm they represent. Failure to confirm their name and the bidder's company name at the Mandatory Pre-Bid Meeting will result in the bidder being found non-responsible and non-responsive, and their bid will be rejected. The requirement for confirming their presence only applies to firms that may be submitting bids directly to DelDOT, not subcontractors.

- **It is recommended that you join the meeting from your computer to view slides and a presentation.**
