MANDATORY PRE-BID MEETING:
The Pre-Bid Meeting will be held via videoconferencing on Monday June 15, 2020 at 10:00 A.M.

- Contractors and subcontractors are welcome to join in and participate in the meeting. Firms that may submit bids to DelDOT for this project will be required to have someone participate in the meeting and provide their name and the name of the firm they represent. Failure to confirm their name and the bidder’s company name at the Mandatory Pre-Bid Meeting will result in the bidder being found non-responsible and non-responsive, and their bid will be rejected. The requirement for confirming their presence only applies to firms that may be submitting bids directly to DelDOT, not subcontractors.

- It is recommended that you join the meeting from your computer to view slides and a presentation. [https://global.gotomeeting.com/join/367350245](https://global.gotomeeting.com/join/367350245)

- You should also call-in to the number below:
  (571) 317-3112
  Access Code: 367-350-245

- No one will be permitted to dial in or participate from DelDOT’s building.
- Questions regarding joining the meeting can be sent to DOT-ask@delaware.gov.
- Note: On Friday March 13, 2020 Governor Carney declared a State of Emergency due to the public health threat of COVID-19 and issued a proclamation authorizing all public meetings of executive branches to be conducted electronically, either telephonically or via video-conference. Out of an abundance of caution, DelDOT is conducting the public pre-bid meeting as described above.
