BR 2-234A On Lake Front Drive Over Red House Branch

Friday, November 17, 2017

Q #	Question	Answer
1	<p>This looks to be a rebid of an earlier job in which you changed bid item 602581 to 602016 (for our work), but I can't seem to find any specs on the PCC Masonry, and the drawings are still calling out for the Grout (602581).</p> <p>Is it the departments intent to fill the void with PCC masonry and not grout on sheet 7?</p>	<p>Item 602016 is a standard specification for DelDOT and can be found on the Design Resource Center. The plans are being updated via addendum to reflect the use of PCC Masonry in lieu of Grout.</p>
