QUESTIONS AND ANSWERS

T201451603.01

NEWARK REGIONAL TRANSPORTATION CENTER, PARKING LOT & ACCESS RD., NEW CASTLE COUNTY

Thursday, March 23, 2017

Q #	Question	Answer
4	Since this project has federal funding involved is there any possibility that the contractor would have to submit to a Yellow Book Audit? We have encountered this on past federally funded projects.	<i>Response forthcoming...</i>

Wednesday, March 22, 2017

3	Is there a grading plan or cross sections that can be made available?	Cross sections are not available, as noted on the Project Notes sheet. The Grades and Geometric plans (sheets 15-19) should be referred to for grading information.
2	Is there a boring schedule or geotechnical report that can be made available that shows existing hot mix depths?	A PDF entitled "Boring Logs" has been uploaded to the Supporting Documents section. This PDF contains the boring logs in the vicinity of this contract.

Wednesday, March 15, 2017

1	When is the pre-bid meeting for this project?	There is no pre-bid meeting for this project.
