Q #	Question	Answer
2	You have an item for CPM updates (763509) but there is no item for Project Control System Development Plan (763508).	Item 763508 Project Control System Development Plan will be added via addendum.
1	Please confirm that the aforementioned project requires new bicycle racks. It looks as though they may not be new bike racks, but rather removing and resetting existing. Could you please clarify this for me?	The bike racks will be new.
