QUESTIONS AND ANSWERS
T201806201.01
Willow Grove Rd. PCC Pavement Reconstruction
Friday, February 23, 2018

Q #	Question	Answer
4	Is any local access required during each phase of the Detours with full depth reconstruction and required cure times for the PCC Pavement occurring?	As per general contract notes note #9 states that access must be maintained to residences and business at all times
3	The proposal has special provision 401752 Safety Edge which state the PCC Pavement sections will be constructed with a modified screed in accordance with the details in the plans. We cannot locate the details and need to know limits of payment and how the Department wants the safety edge to be tied into the adjacent driveways.	The bid proposal includes the specification for item 401752 on page 24, please follow construction method and bid accordingly. Proposed PCC pavement includes travel lanes and shoulder.

Thursday, February 22, 2018

2	Due to the PCC Pavement being a large portion of the contract, will the department waive Standard Specification 108.01 Subletting of Contract, allowing the Prime Contractor to subcontract the PCC Pavement?	The department will not entertain waiving the subletting requirements as outlined in standard specification 108.01 Subletting of the Contract. Please bid as per the specification.
