HERBICIDE APPLICATION, NOXIOUS AND INVASIVE WEEDS
Wednesday, February 12, 2014

###

Q #	Question	Answer
3	Could you please let me know if the DOT1312 Herbicide Application, Noxious and Invasive Weeds bid is a service provided to control weeds or is it a bid to purchase herbicides for the state to apply?	It is a service contract for the application of herbicides to noxious and invasive weeds. Contractor will also supply herbicides for the work, pending approval by DeDOT of herbicide(s) he/she selects/elects to utilize.
2	Item #763643 MOT and Item #763000 Initial Expense are lump sum items. If the contract is extended for two additional years how is this item determined as far as payment for these two extended years?	DURATION OF CONTRACT: The cost for the additional year(s) shall be equal to the cost for the prices bid for all items for final year of this contract, as originally bid. BASIS OF PAYMENT: Initial Expense and Maintenance of Traffic shall be paid at the total bid price bid for each calendar year that the contract is in force.
1	Does the bid package require bid bond & performance bond? There are no instructions in the bid package regarding bond requirements.	No, the bid bond and performance bond are not required on this contract.
