3	For labor rates for this project, are we using the rate of the Painter (\$63.14) or Laborer (\$39.35) for Line Striping job?	Check with the Delaware Department of Labor to clarify their classifications.
2	Are there plans or drawings available to look at for this project? I got the CD, but it does not have any files for plans and drawings. Also, can you provide a list of roads where the pavement markings will be installed.	There are no plans or drawings with this contract. There are also no specific locations. This is a three year open end contract with the locations to be determined.

1	The notice states that Specifications dated August 2016 are to be utilized for this project, but the Special Provisions and the Schedule of Items both reference line items under the 2001 Specifications.	This contract will be utilizing the 2016 Standard Specifications. Corrections will be made via addendum.
