Q #	Question	Answer
1	Can you please clarify Maintenance of Traffic Note No. 3 on Sheet 20, which states that any lane closure work on Rte. 7 will be performed from Sunday night to Friday morning during the hours from 9 P.M. to 5 A.M. It looks like the majority of the work taking place along Rte. 7 will require a lane closure. The Construction Phasing Notes for the work along Rte. 7 do not stipulate the same restrictions. What conditions do we need follow to price the various construction operations along Rte. 7?	Notes depicted on Sheet 20 are applicable to all construction phases.
