DOVER HANGAR INTERIOR DEMOLITION AND ASBESTOS ABATEMENT

Thursday, March 07, 2013

Q #	Question	Answer
2	Regarding Amendment 2, is it the intention to compare Abatement Contractor pricing based on calendar days on site (multiplied by \$693.00) when work on site and therefore Industrial Hygiene oversite (Brightfields) cost is based on working days? Please advise.	The bid form is correct as shown in addendum 2. The price shall be based on calendar days.
1	The asbestos survey provided by Brightfields, Inc. dated 9/2012 lists 23,000 sf of silver roof coating associated with the main arched metal roof. Is this roof to be abated as part of this contract and if not will a revised bid scope be provided?	The silver roof coating is not to be abated as part of this contract. This was mentioned at the pre-bid meeting. A scope revision will not be provided.
