Q #	Question	Answer
1	On page 3, Note 18 states, All work on the Maple Lane Elementary location must be completed when school is not in session. School hours are from 8:35 AM to 3:35 PM, therefore, when and what time are we permitted to work and would this mean night work due to the fact this is a residential neighborhood?	On page 2 of the RFP under Completion Date, it states “It is the Department's intent to issue a Notice to Proceed such that work starts on or about March 26, 2015.” Therefore it is expected that the contract work will be completed at the other two school locations first, and work at Maple Lane Elementary would begin after school ends on June 9.
