3	<p>Are there any actual plans or drawings available for this project? All that is available to download on the website is specifications and addenda.</p>	<p>The plans and specifications are available on the web. There are also references to the Department’s Standard Specifications, which can be found here;  <a href="http://www.deldot.gov/information/pubs_forms/manuals/standard_specifications/index.shtml">http://www.deldot.gov/information/pubs_forms/manuals/standard_specifications/index.shtml</a></p> <p>Below is the listing of what is available on the web;</p> <ul style="list-style-type: none"> <li>• Advertisement</li> <li>• RFP - Public Works</li> <li>• Planholder</li> <li>• Plans</li> <li>• Specification Notes</li> <li>• Guardrail End Treatment Info.</li> <li>• Questions and Answers</li> <li>• Addendum No. 1</li> </ul>
2	<p>We have a question regarding Item 602544, Constructing Latex Modified Concrete Overlay.                      This Item is normally used in conjunction with Item 602543, Furnishing Latex Modified Concrete Overlay, and the Contract does not contain this “Furnish” Item.                      Can this Item 602543 be added, or is the Department going to make arrangements to furnish the Latex Modified Concrete?</p>	<p>Item 602543, Furnishing Latex Modified Concrete Overlay, will be added in Addendum #2.</p>
