T201806401.01

Warm Mix and PCC Patching, Open End, Canal District, FY 19-21, New Castle County

Friday, November 09, 2018

Q #	Question	Answer
1	The Special Provision for Item 503503 Patching Concrete indicates it will be paid at the fixed rate of \$5.65/sy-in. Neither the disk nor the proposal forms indicate this fixed price. Please confirm if we are to bid the fixed price of \$5.65 or are we allowed to bid the item as we see fit?	This will be addressed in forthcoming addendum.
