T201808303.01

Maintenance of Traffic Services, Statewide, Open End, FY19 - FY21

Thursday, July 12, 2018

Q #	Question	Answer
1	Prospective Bidders Note #24 states that there are no Prevailing Wage Rates for this project, however the August 2016 Standard Specification 811.05 A.3 states that "Flaggers must be bid at a minimum equal to the Labor Wage Rate and may be bid up to, but not to exceed 3 times the Labor Wage Rate in accordance with the County where the Work is being performed." To be in compliance with the specification we need the Wage Rate for this contract.	There are no restrictions on Flagger rates due to Prevailing Wage rates not being applicable to this contract.
