Q #	Question	Answer
2	Would the department issue striping plans and signal improvement plans prior to bid?	The Department will issue striping, signing and signal plans at the preconstruction meeting.
1	The bid proposal form has two maintenance of traffic items. I-743000 and I-763643.	Item 743000 is specific to the SR7/SR4 Intersection Improvements (see page 17 of 20) and item 763643 is for all other activities on the contract.
