CITY OF WILMINGTON, 9TH STREET STREETScape ENHANCEMENTS, PHASE II

Friday, March 27, 2020

Q #	Question	Answer
1	<p>There are 6 New, Decorative Light Standard and Fixture, LED, Single units on the project. Bid item 851511.</p> <p>In the past, dealing with specific requirements, the City of Wilmington, prefers to see included with their lighting standards, is a "breakaway base".</p> <p>This breakaway base typically includes "Transpo Couplings" along with an extension "skirt" that hides the Transpo Couplings.</p> <p>Would you please clarify if we are to furnish this style base, with the new decorative poles, for the 9th Street project?</p>	<p>The Special Provision for 851511 will be modified in upcoming addendum.</p>
