

## **REVISED** DelDOT Temporary Pre-Bid Meeting Changes

All interested parties;

As you may be aware on Friday March 13, 2020 Governor Carney declared a State of Emergency due to the public health threat of COVID-19 and issued a proclamation authorizing all public meetings of executive branches to be conducted electronically, either telephonically or via video-conference.

Out of an abundance of caution, DelDOT is changing the public pre-bid meeting process to the below format.

- **There will be no in-person meeting for the pre-bid.**  
Instead, the public meeting will be conducted telephonically.  
No one will be permitted to dial in telephonically from DelDOT's building.
- **Contractors and subcontractors are welcome to call in and participate in the meeting.**
- **The telephone number to call is (408) 418-9388**  
**When prompted, enter Access Code: 717673428**
- The dial-in information will also be posted on bids.delaware.gov;  
Look on the 'Bid Solicitation Details' page of the project, in the "Contract Specific Message:" section,
- The Pre-Bid Meeting will be telephonically recorded.

The Department thanks you for your cooperation.
