Requests to pre-qualify other firms may be submitted. Such requests shall be submitted to dot-ask@state.de.us DelDOT Contract Administration (attn. Mr. Scott Gottfried) a minimum of 10 calendar days in advance of the contract bid date. The requests should include the following information:

- Contractor name and contact information
- Name and resume of the project superintendent that will be assigned to this project
- List and detailed description of work on similar projects performed in the past 5 years with points of contact for the owners of the projects.
- Any other information deemed relevant to demonstrate that the Contractor has the experience and capabilities to successfully complete the work
- Additional information that may be requested

Approval or denial of the request shall lie solely with Tidewater Utilities, Inc. The approved Superintendent must be on-site during performance of the work. If a firm other than those listed above is being proposed, DelDOT Contract Administration must respond by letter or email to the bidder indicating approval or disapproval prior to award. The Contract cannot be awarded until an approved contractor for the water main item has been established.
